

- ▶ **ENHANCES APPEARANCE**, usability and value of garage space.
- ▶ **CREATES** a cleaner, brighter and warmer environment.
- ▶ **EASY INSTALLATION...** no adhesive, special tools or subfloor prep needed. Install over concrete, wood, steel and existing coatings.
- ▶ **SAFE...** high slip-resistance even when wet.
- ▶ **QUIET...** muffles noise.
- ▶ **NO EXPENSIVE** or frequent repair or replacement. Easy to move, reuse and repair. Hides cracks, stains, etc.
- ▶ **TOUGH AND STABLE...** Patented hidden interlock keeps tiles locked and watertight. Won't break, crack, deflect or shift even under heavy rolling loads.
- ▶ **REDUCES DUST...** keeps garage, equipment and vehicles cleaner.
- ▶ **RESISTS AUTOMOTIVE FLUIDS**, water, indentations and abrasions.
- ▶ **USE IN BASEMENTS**, workshops and other interior areas.
- ▶ **EASY** standard maintenance.
- ▶ **WARMER...** insulates subfloor.
- ▶ **MADE IN USA**
